

# SINCE 1898, CENTURY BANK & TRUST HAS...

...set the standard for true community banking throughout the area. What began as a true community bank in Georgia's antebellum capital city of Milledgeville has today continued to embrace the mission of exceptional service, responsiveness and commitment to the well-being of our community and those who grace our doorway. From personal and commercial banking solutions to comprehensive Trust services, Century Bank & Trust is relationship-based and service-driven so that your financial goals become reality. Ours is a brand of banking refined by more than 100 years of dedication to the principles of independence, and we invite you to discover the difference we can make.
