

# A Gynecologist Should Be:

- **Respectful • Pleasant • Understanding**
- **Non-judgemental • Caring • Attentive**
- **and Well-trained**

*Our Doctors Are All of That and More...*

♥ Board-certified obstetrical care.

♥ Board-certified women's cancer screening

♥ Fully licensed Surgery Center offering private, out-patient treatment for women only.

♥ Offering same-day treatment for abnormal PAP smears, pelvic pain and painful or irregular periods.

♥ Ultrasound department now offering 4D Imaging.

♥ Total preventative women's health care.
