# COMPUTER CONNECTIONS

*Connecting you to what's out there...*

## THINGS WE DO

- In-depth computer repair (home & laptop)
- Home & business networking (wired & wireless)
- Setting up consumer electronic systems in the home (XBOX, Wii, PSP, PSP3, Slingbox, Home Security, etc.)
- Installing VOICE over IP phone (voip)
- Custom computer building
- New computer set-up in the home
- Installing phone systems in your home or business (Ask us about training sessions for everyday computer use — business or personal)
- Service contracts available that allow great convenience!

**\*Don't miss "Computer Connections"  
Friday Mornings @ 8AM on Channel 16!**
