

## ■ FROM THE PUBLISHER

*W* We are very excited to present the premier issue of San Angelo Lifestyles! Anyone who has traveled these dusty roads of West Texas knows that San Angelo is a very unique and special place. From storied downtown to the beautiful Concho River to the hard working people, it is easy to see why this area is known as “The Oasis of West Texas.” We would like to thank you for welcoming us into your community and hope you enjoy this first of many editions to come, San Angelo Lifestyles.

SAL is a semi-annual publication that is available at no charge throughout the community. Inside you will find stories of the different people, places and things that make San Angelo such a great place to call home. The wide varieties of art, fine food, diverse culture, and West Texas hospitality makes San Angelo truly like no other place. Whether you have been here your whole life or are just in town for the weekend, we hope you enjoy reading all about this wonderful town.

We are 100% supported by our advertisers and to them we say Thank You! In turn, we encourage our readers to support these local businesses that have made this publication possible. Please take a moment to view the Index of Advertisers at the back of the magazine.

We are proud to be in your community!
